A contract worker shall not be employed where, in effect, such employment would permanently take over in whole or substantial part the duties assigned to a unit member who has left the organization.

## ARTICLE VI - HIRING

**Section 1.** The Employer shall notify the Guild of each vacancy within the bargaining unit and shall give consideration to the hiring of qualified candidates supplied by the Guild.

ii. The Employer shall be required to invite applicants to provide information about their status in traditionally underrepresented groups, but shall make it clear to applicants that any such disclosure is optional.

b) Overtime Records. Employees shall submit daily timesheets in a form and manner provided by the Employer reflecting work performed in at least quarter-hour increments. The Employer shall cause records of all overtime to be kept and shall make the records available to the Guild upon request.

c) Travel Time. Travel time to an assignment shall be deemed working time. If an employee travels directly from home to an assignment, the employee's shift for the day will be considered to start when leaving the employee's home.

d) Overtime on Days Off. Overtime on days off shall be by mutual agreement of the Employee and Employer. An employee who agrees to work on their scheduled day off shall be paid the overtime pay rate for all hours worked.

## **ARTICLE XIV - RETIREMENT**

**Section 1.** The Employer shall offer a defined contribution retirement plan to bargaining unit employees. Employees shall be able to decide on an optional pre-tax contribution amount to be deducted from gross pay and which available investment options they would like to invest in.

**Section 2.** The Employer shall contribute an amount equal to two and one quarter (2.25) percent of an employee's gross salary to the retirement plan for each employee in that employee's first and second year of employment.

The employer will contribute two and three quarters (2.75) percent of an employee's gross income salary to the retirement plan when that employee enters into their third year of employment.

After five years of service, the Employer shall match any employee contribution to the retirement plan up to an additional two and one quarter (2.25) percent of the employee's gross salary.

## ARTICLE XV -- INSURANCE

**Section 1.** All medical and other group insurance plans available as of the effective date of this Agreement, or substituted for those in effect as of the effective date of this agreement, will be substantially equivalent to the ones in effect on the aforementioned effective date and will be made available to all employees represented by the Guild.

**Section 2.** The employer shall pay at least \$7,500 per year toward the cost of all available medical insurance for all full-time bargaining unit employees. The employer will contribute a pro-rated portion of the \$7,500 per year for part-time employees.

- a. Should healthcare premiums for VTDigger employees increase by more than six (6) percent for 2023 and/or more than six (6) percent for 2024, the parties agree to bargain only over the effects of such increase.

**Section 3.** Health insurance will be a plan provided through Vermont Health Connect, or, by mutual agreement on an annual basis, a substantially equivalent plan with substantially equivalent coverage. Plans will be selected after consultation between the Guild and Employer on an annual basis.

**Section 4.** Employees, at their own cost, may select or change their medical insurance plan anytime they are eligible to under an open enrollment period or special enrollment period.

**Section 5.** Dental and Vision Insurance. The present arrangement for group dental and vision insurance shall continue in effect.

**Section 6.** An employee may elect to decline all medical insurance, and in that event, the Employer shall deposit \$250 per month directly into a Health Savings Account opened by and designated for the benefit of the employee. If an employee provides proof of insurance with another insurer, the Employer shall provide a \$250 per month stipend to be used toward the cost of that insurance plan.

**Section 7.** Life Insurance. The present arrangement for group life insurance shall continue in effect, with premiums paid by the Employer for a ten-thousand dollar (\$10,000) policy for each eligible employee.

**Section 8.** Short- and Long-term disability insurance benefits are defined and provided for in Article XII, Leave and Related Policies.

## ARTICLE XVI - SEVERANCE

**Section 1.** An employee who is terminated by way of economic dismissal shall receive cash severance pay in a lump sum equal to two weeks' pay for the first six months of service, then two weeks' pay for every year of service pro-rated for each fraction thereof, such pay to be computed at the most recent weekly compensation received by the employee during service

with the Employer, or with any enterprise of the Employer or with any subsidiary, predecessor, related or parent company of the Employer up to a limit of three (3) months' pay.

**Section 2.** Upon termination by way of economic dismissal, Medical and dental insurance shall continue for a period equal to the number of weeks of the severance payment. The Employer will make the same contribution to medical and dental insurance for any employee and dependent coverage the employee is enrolled in at the leave date.

**Section 3.** If an employee dies before the full severance pay has been disbursed, the Employer shall pay the employee's beneficiary, or the employee's estate if no beneficiary has been designated, an amount equal to the amount of severance pay to which the employee would have been entitled upon termination of employment.

## **ARTICLE XVII – REDUCTION IN FORCE**

### **Section 1. Layoffs.**

(a) The necessity for layoffs or reduction of staff for economic or strategic reasons shall be at the discretion of the Employer. In implementing any layoffs or reductions in staff, the Employer shall comply with this Article, as distinguished from a dismissal for just and sufficient cause. The Guild and Employer agree to meet to discuss the effects of layoffs which may include the possibility of enhanced severance and/or benefits for voluntary separations.

(b) To the extent not provided for in Article XVI “Severance” the Employer shall provide at least two (2) weeks’ notice of a reduction in force to the Guild or, if it chooses, two (2) week’s pay to employees to be eliminated in lieu of two (2) weeks’ notice. In either instance, the Employer shall provide notice to the Guild, which shall specify:

- A. The names of the employees who are to be laid off;
- B. The job titles, dates of hire and lengths of service for each laid off employee;
- C. The effective date of the layoffs; and
- D. The basis for the reduction in force

(c) The Employer shall seek volunteers to reduce the workforce and such employees shall receive the severance pay to which the employee is entitled by length of service, as set forth in Article XVI, Section 1, as well as any enhanced severance and/or benefits agreed to between the parties. The number of employees dismissed shall be reduced to the extent that the necessary reduction has been achieved by resignation.

(d) If there are insufficient voluntary resignations, dismissals to reduce the force shall be made by inverse order of seniority. In this regard, employees will be placed in “seniority bands” by length of service to the Employer as follows:

<b>Band</b>	<b>Years of Service*</b>
A	Less than 1.5 years

B	1.5 to 3 years
C	3 to 5 years
D	3-year increments after 5 years or more

\*An employee reaches a new band on the day after the employee’s anniversary of service.

In determining who shall be affected by a reduction in force, the Employer shall first determine which job classification (currently editor, reporter, or photographer) shall be affected by the reduction in force. If there is more than one employee that holds the same job classification that shall be affected by the reduction, then the Employer shall select employees in inverse order of seniority (i.e., employees in band “A” first, then if all employees in band “A” have been selected and additional layoffs are required, the Employer may begin selecting employees in band “B,” and then likewise for band “C” and band “D” ), with the right to select the employee(s) within those bands with the least skill, knowledge and ability to be separated, laid off or reduced. Within each band, all employees will be deemed to have the same seniority.

Notwithstanding the procedure set forth in this Article the Employer shall retain the discretion, regardless of seniority, to conduct reductions to ensure that such dismissals do not decrease the level of diversity existing within the unit.

(e) An employee can be excluded from seniority considerations if the Employer determines their job requirements cannot be replaced by anyone else in the unit. However, the Employer must consider whether another employee can be trained in that skill or aspect of the position, and if not, whether someone on the callback list could be trained in that skill or aspect of the position.

(f) The Company will comply with any federal, state and/or local laws and regulations governing notification of layoffs, including without limitation the Worker Adjustment and Retraining Notification (WARN) Act of 1988. If an employee is entitled to payment under any federal, state and/or local WARN or other statutes, then any severance or payment in lieu of notice under this Article shall apply toward and not be in addition to that amount.

(g) Employees separated, laid off or otherwise terminated under this Article, or who accept a voluntary buyout pursuant to this Article, will receive severance subject to the terms of Article XVI, “Severance.” Any severance received pursuant to this Section shall apply toward, and shall not be in addition to, any payment required to the employee under federal, state and/or local WARN or other statutes.

(h) Any employee who is dismissed to reduce the force shall be placed on a rehire list for a period of no less than nine (9) months. The most senior employee on the rehire list who is qualified for any posted position shall be recalled first for any vacancies in the employee’s job classification, or in any job classification in which the employee has previous experience. New employees shall not be hired until the rehire list has been exhausted of qualified employees.

**Section 2.** Seniority means length of continuous employment at the Employer. Employment shall be deemed continuous unless interrupted by (1) dismissal for just and sufficient cause; (2)

resignation; (3) refusal to accept a rehire offer; or (4) retirement. In the event an employee is rehired, any prior period of employment for which the employee has already received severance pay (that has not been refunded), shall not be counted as employment in calculating any future severance which may again become due after rehire. For purposes of a separation, layoff or reduction in force, employees on approved leave of any kind will be deemed to have accrued seniority during their leave.

## **ARTICLE XVIII – JUST CAUSE**

**Section 1.** There shall be no dismissals except for just and sufficient cause.

**Section 2.** An employee may request the presence of a Guild representative (e.g., a shop steward, Guild unit leader or representative of the unit's Guild local) who may attend any meeting in which an employee will be provided formal discipline, which shall be progressive in nature. (e.g., verbal warning, written warning, paid and unpaid suspension). Employees will be given advance notice that a meeting is intended to be disciplinary in nature.

**Section 3.** Notwithstanding the foregoing, the parties understand and agree that if management reasonably believes that an Employee has created or could create, in the workplace, a threat of physical harm to oneself, others or property within the workplace, or similarly created or could create an emergency or unsafe condition in the workplace, the Employer may immediately suspend the Employee with pay, pending a discipline or discharge meeting. In such a situation, the Employer will notify the Guild of the rationale for the suspension within one (1) business day of the suspension being imposed, and discuss with the Guild the circumstances giving rise to the suspension and any further discipline or discharge contemplated.

**Section 4.** In disciplinary arbitrations concerning Employee performance, the Arbitrator may not substitute their judgment for the editorial judgment of the Employer and shall conclude that the Employer's editorial standards and its judgments regarding the same are reasonable unless rebutted by the Guild by clear and convincing evidence. The Arbitrator shall not have the authority to modify the Employer's editorial standards.

## **ARTICLE XIX – GRIEVANCE AND ARBITRATION**

**Section 1.** The Guild shall designate a committee of its own choosing to take up with the Employer or authorized agent any matter arising from the application of this contract or affecting the relations of an employee and the Employer, and shall inform the Employer in writing of the composition of the committee and any changes in membership upon the request for a meeting.

**Section 2.** The Employer agrees to meet, to the extent possible, with the committee within five business days after request for such meeting. Efforts to adjust grievances shall be made on Employer time.

**Section 3.** Except as otherwise expressly agreed, at the option of either party, any matter involving the interpretation, application, administration or alleged violation of this contract (except renewal of this contract), not satisfactorily settled within 30 days of its first

consideration may be submitted to final and binding arbitration by either party. Such arbitration shall be conducted pursuant to the voluntary labor arbitration rules of the American Arbitration Association. The costs of such arbitration shall be borne equally by the parties, except that no party shall be obligated to pay any part of the cost of a stenographic transcript without express consent. Any matter not resolved, withdrawn without precedent or prejudice, or submitted to arbitration within the 30-day timeframe shall be deemed waived with prejudice.

**Section 4.** These timelines can be extended by mutual agreement of the parties.

**Section 5.** Upon request of either party, any matter described in Section 3 above expressly subject to expedited arbitration shall be submitted to expedited arbitration. Matters not expressly subject to expedited arbitration may be submitted to expedited arbitration by mutual consent of the parties. Such final and binding arbitration shall be conducted pursuant to the expedited labor arbitration rules of the American Arbitration Association.

**Section 6.** Conditions prevailing prior to an action or circumstance which results in a grievance shall be maintained unchanged pending final settlement of the grievance as provided herein.

#### **ARTICLE XX: HAZARDOUS ASSIGNMENTS**

**Section 1.** In the event an employee believes an assignment poses hazards out of the normal course, the employee shall consult with their supervisor and may refuse to accept an assignment or a job which the employee has demonstrated is unduly hazardous and cannot be accommodated.

**Section 2.** Employees shall not be deprived of compensation in the event they have consulted with a supervisor and it has been determined that no reasonable accommodation can be made to mitigate an identified hazard but an employee will not be compensated in the event an employee refuses an assignment despite the offer of reasonable accommodation or fails to notify their supervisor of a concern. Whether or not a situation is hazardous and/or a suggested accommodation is reasonable shall be subject to the grievance and arbitration process, and in no case shall an employee be disciplined beyond loss of pay solely for refusing an assignment under this Article.

**Section 3.** The Employer shall:

- a.** furnish employees with reasonable and practicable protection as circumstances dictate;
- b.** take reasonable measures to minimize and alleviate the hazardous conditions of jobs or the hazardous conditions under which a job is performed;
- c.** Ensure that any employee out on assignment has a clear supervisor or manager they can contact with questions or concerns.
- d.** compensate employees at their normal rate when the inability to report for work in person is due to the fact that normal travel is not practical, due to natural phenomena or hazardous conditions created by human acts, including, by way of example but not limited to, storm, flood, fire, explosion, riot or other civil disturbance or military or police operation. Under such conditions, employees shall make best efforts to report to work remotely through electronic means or otherwise.

## **ARTICLE XXI - PRIVILEGE AGAINST DISCLOSURE AND AUTHENTICATION**

**Section 1.** The parties acknowledge that Vermont state law provides a shield against disclosure to outside sources at 12 VSA §1615. Both VTDigger and the Guild agree to cooperate to obtain the full protections available under the law. Reporters and editors will make every reasonable effort to ensure the accuracy and fairness of VTDigger's work.

**Section 2.** If a member of the Guild who has complied with Section 1 above is proceeded against under the law in connection with work done on behalf of VTDigger on account of refusal to surrender or disclose or authenticate information, provided the employee fully cooperates in facilitating a response to such action in cooperation with VTDigger, legal counsel, and any insurer, VTDigger shall move to join as a party to such proceedings; shall meet all expenses imposed on the employee as a direct consequence of the action, and shall endeavor to provide all benefits and protections available to employee and VTDigger.

**Section 3.** If an employee is proceeded against under law as a result of performing their assigned duties, except in the case of an employee who acts in reckless disregard of the truth or in violation of the law, the Publisher shall meet all reasonable fees and expenses of legal counsel. The Publisher also shall indemnify such employee against loss due to fines or damages which may be assessed against him or her, and against loss of pay at the employee's regular straight time salary.

## **ARTICLE XXII – TRAINING**

**Section 1.** An employee may request that the Employer provide reasonable and necessary training seeking to add new work skills or to enhance existing work skills relative to their position and the Employer shall not withhold approval unreasonably.

**Section 2.** The Employer shall provide all reasonable and necessary training to employees required to perform any new or additional skills or duties, and in conjunction with the introduction of new technology or processes. Unit employees expected to use any of these new systems shall participate in said trainings.

## **ARTICLE XXIII - ELECTRONIC USE AND COMMUNICATIONS**

**Section 1.** Surveillance or monitoring of employees' company devices and electronic communications shall solely be conducted for the following reasons: To retrieve information from employees who have left the company; to identify the source of security breaches or to ensure that security measures are installed; to investigate illegal activity or misconduct; to respond to legal processes; or as necessary to ensure optimal performance of equipment.

There shall be no surveillance of employees nor shall electronic supervisors, tape recordings, telephone monitoring systems, monitoring of employees' electronic files or voice mail, or similar procedures or devices be used for communications relating to union matters.

Access to surveillance or monitoring systems shall be limited to the Executive Director, the Chief Technology Officer and the General Counsel, or their equivalent positions and those persons necessary to assist these positions in conducting necessary evaluations.

**Section 2.** Employees remain free to make occasional and reasonable personal use of the Employer’s computer equipment, networks, systems, portable electronic devices, smart phones, internet accounts and other communications systems.

**Section 3.** Employees have a legally protected right to communicate on social media with coworkers and the Guild for mutual aid and protection. Employees have a legal right to speak candidly and critically on social media about union activity, terms and conditions of employment, collective bargaining, treatment by supervisors, personnel policies and contract terms, and complaints, grievances or litigation regarding working conditions. Nothing in this provision shall relieve any party from legitimate claims and liability for defamation, libel or similar legal claims.

#### **ARTICLE XXIV – PHOTO EQUIPMENT**

**Section 1.** The Employer shall provide all work-related equipment to employees performing photography and multimedia reporting necessary and adequate for their work, which may include:

- Two professional-level camera bodies

Photographers and multimedia reporters shall receive \$1,500 per year to use on purchasing, repairing, replacement, and insurance of their personal equipment subject to submission of receipts and only to the extent the equipment is used for the benefit of VTDigger.

#### **ARTICLE XXV – EXPENSES**

**Section 1.** Employees shall seek approval prior to incurring expenses and the Employer shall pay all legitimate expenses approved and incurred by an employee in the service of the Employer. In circumstances where prior approval is not possible, an employee may submit their expenses for review. So submitted with adequate support, approval of reasonable and legitimate expenses shall not be withheld.

**Section 2.** Where travel has been pre-approved The Employer shall compensate for the use of an automobile in the service of the Employer at the rate established by the State of Vermont Human Resources website at <https://humanresources.vermont.gov/compensation/expense-reimbursement> for mileage reimbursement. In circumstances where prior approval is not possible, an employee can submit their mileage for review. So submitted with adequate support, approval of reasonable and legitimate expenses shall not be withheld.

**Section 4.** The Employer will provide at Employer's expense necessary working equipment, including equipment needed to reasonably accommodate a disabled employee in the performance of their job. It shall include, but not be limited to:

**Section 2. Appearance Fees.** Employees who are requested to appear on third-party programs in which the Employer lacks a proprietary interest, including but not limited to television, radio, podcasts, webcasts, streaming video or a live event, shall be entitled to negotiate a fee for each appearance from that third party.

## **ARTICLE XXVII - OUTSIDE ACTIVITY**

**Section 1.** An employee shall be free to engage in activity outside of working hours provided that

- a.** with respect to activity relating to journalistic services, the activity is not in competition with the Employer and does not interfere with the employee's work with the Employer and further providing any articles are written or any photographs or works of art are prepared on the employee's own time and without using the resources of the Employer. An employee who seeks to acquire a connection for profit or remuneration, with any other interest, publication or media outlet that may pose a perceived conflict of interest may do so only with the consent of the Employer. Such consent may be granted for specific periods of time but shall not be unreasonably denied. If, after issuing such consent, there is a substantial change in the conditions of the secondary employment that poses a potential conflict of interest, the editor may review the connection and the employee and The Guild will be given the opportunity to identify ways to diffuse the perceived conflict before requiring any change in the employee's outside activities. An employee may, to establish credentials with a secondary employer, mention their connection with VTDigger. However, attribution of association with VTDigger in published or broadcast accounts must be approved by the Employer in advance.
- b.** With respect to public statements, including social media, VTDigger shall adopt the following policy. Nothing herein shall be interpreted to abridge or amend employees' rights under the National Labor Relations Act.:

### **VTDIGGER PUBLIC STATEMENT POLICY**

VTDigger employees are family members and responsible citizens as well as journalists. Nothing in this policy is intended to abridge their right to live normal lives - to educate their children, to worship and to take part in community affairs. But like other dedicated professionals, we knowingly accept some restrictions - in our case, with the goal of ethical and impartial journalism. Public statements outside VTDigger's platforms can serve important goals in promoting the mission of our organization. VTDigger provides the following guidance for the use of public statements, including social media, by its journalistic staff (editors, reporters and photographers)

1. Employees must not express partisan opinions, promote partisan political views, or endorse candidates;
2. Employees should not make profane, obscene or *ad hominem* comments or engage in hateful or harassing speech.
3. Employees should be especially mindful of appearing to take sides on issues that VTDigger is seeking to cover objectively;
4. Employees should not make customer service complaints on social media.
5. Except for reporting purposes and in consultation with an editor, employees should avoid joining private and "secret" groups on Facebook and other platforms that may have a partisan orientation and should also refrain from registering for partisan events on social media.
6. Employees should always treat others with respect on social media;
7. Management supports the right of our employees to mute or block people on social media who are threatening or abusive.

8. If an Employee feels threatened by someone on social media, they should inform their supervisors immediately.
9. Management believes in the value of using social media to provide live coverage and to offer live updates. But there may be times when we prefer that our employees focus their first efforts on our own digital platforms.
10. We generally want to publish exclusives on our own platforms first, not on social media, but there may be instances when it makes sense to post first on social media. Consult your supervisors for guidance.
11. Be transparent. If you tweeted an error or something inappropriate and wish to delete the tweet, be sure to quickly acknowledge the deletion in a subsequent tweet.
12. If you are linking to other sources, aim to reflect a diverse collection of viewpoints. Sharing a range of news, opinions or satire from others is usually appropriate. But consistently linking to only one side of a debate can leave the impression that you, too, are taking sides.
13. Exercise caution when sharing scoops or provocative stories from other organizations that VTDigger has not yet confirmed. In some cases, a tweet of another outlet's story by a VTDigger reporter can be interpreted as VTDigger confirming the story, when it has not.
14. There is no obligation for an employee to use social media and while employees may engage in social media accounts, this does not mean they have a license to veer into editorializing or opinion on partisan issues or matters that would be likely to be a subject of VTDigger's reporting.

If you have questions about whether a statement or post is appropriate or violates this policy, consult with a supervisor to explore the following questions:

1. *Would you express similar views in an article on VTDigger's platforms?*
2. *Would a reasonable person who reads your post have grounds for believing that you are biased on a particular issue?*
3. *If readers see your post and notice that you're a VTDigger journalist, would that affect their view of VTDigger's news coverage as fair and impartial?*
4. *Could your post hamper your colleagues' ability to effectively do their jobs?*
5. *If someone were to look at your entire social media feed, including links and retweets, would they have doubts about your ability to cover news events in a fair and impartial way?*

As always, if you are unsure, please consult with your supervisor or other newsroom leaders about your social media and public statement practices.

- c. Employees may not engage in statements or conduct (including re-postings) that could be interpreted to constitute a public endorsement of a partisan political issue, party, or candidate. Employees do not take part in politics, run for office, wear campaign buttons, or display any other sign of political partisanship. Employees are entitled to register as members of political parties and to vote.

Employees may participate in rallies or marches so long as they are in celebration of personal identities -- such as race, ethnicity, ability, gender or sexual orientation -- and are not expressly

political. However, employees may not attend marches or rallies that express support of political causes or public policy issues that are or are likely to be in the news. Reporters should not engage in specific policy prescriptions that are likely to be or are part of VTDigger's news coverage.

An employee with doubts about a proposed political activity should consult with a supervisor.

## **ARTICLE XXVIII-TELECOMMUTING**

**Section 1.** Management, in its sole discretion and acting in good faith may provide all Employees the option of working remotely.

For all times that are not designated as "remote time" employees will be expected to work from the physical offices of VTDigger, at home if working from regional bureaus without a designated office, or on assignment.

**Section 2.** When an employee's time is designated as remote, employees will still have the option of working from VTDigger's physical offices, provided appropriate space is available.

**Section 3.** The Employer will provide notice as soon as possible if an employee is asked to work at the offices and will make reasonable accommodations necessary to facilitate in-person attendance if an employee is requested to work at the offices on a regularly scheduled "remote day". Employees will be given two weeks' notice of a permanent change to their remote work schedule.

**Section 4.** Management will consider additional requests from individuals to work remotely when this can be achieved without compromising the quantity and quality of expected performance metrics.

## **ARTICLE XXIX - NO STRIKES/NO LOCKOUT**

The Guild and its members agree they will not authorize, ratify, or condone any work stoppage, including strikes, sympathy strikes, wildcat strikes or sitdowns during the term of this Agreement. In the event of any work stoppage described herein, the Guild will immediately use its authority and best efforts to cause prompt resumption of work.

**Section 1.** VTDigger agrees that during the term of this Agreement it will not lock out any bargaining unit employees covered by the terms hereof.

**Section 2.** The Guild agrees that during the term of this Agreement (1) it will not strike against the Employer, including any sympathy strike against, picket, or boycott, or directly interfere with any of the Employer's operations or other withholding of services by the Guild; (2) neither the Guild nor any officer, executive, official or executive employee of the Guild will directly or indirectly authorize, aid, encourage, direct, abet, or participate in any such strike, sympathy strike, picket, boycott, or other withholding of services by the Guild; and (3) the Guild will

instruct its members to perform their contracts with the Employer and it will at the same time instruct them not to strike against, picket, or boycott the Employer.

**Section 3.** Guild members may exercise their rights conferred on them by the National Labor Relations Act as amended that are not expressly and specifically contrary to the terms of this contract.

**ARTICLE XXX - SEVERABILITY**

Severability. Each and every clause of this Agreement shall be deemed separable from each and every other clause of this Agreement to the end that in the event that any clause(s) shall be finally determined to be in violation of the law, then such clause(s) only, and only to the extent that any may be in such violation, shall be deemed of no force and unenforceable, without impairing the validity and enforceability of the rest of the Agreement, including any and all provisions in the remainder of the clause, sentence or paragraph in which the offending language may appear.

The parties agree to negotiate in good faith to replace the provision deemed in violation with an alternative provision that as nearly as possible meets the intent of the stricken provision and complies with the law.

**ARTICLE XXXI -- DURATION AND RENEWAL**

**Section 1.** This Agreement shall be effective immediately upon ratification by the Guild and signature of the parties through December 31, 2024, and shall inure to the benefit of and be binding upon the successor and assigns of the Employer.

**Section 2.** The terms and conditions of this Agreement shall remain in full force and effect until a new Agreement is reached or an impasse is reached in accordance with the law, whichever is earlier.
